LULAC Council 10 in the Community

Congratulations to this year's Scholarship recipients! This year LULAC Council 10 was able to give 38 scholarships to local students here in the Quad Cities Communities. We wish best of luck to all the students.

Pictured is Vice President Toni Robertson at Party at the Park at Sunderbruch Park. LULAC Council 10 has been a long time supporter of party at the park as it's a great resource for the local Davenport community.

Pictured is Toni Robertson and Shawn Nicholson at the annual State of the City event in Davenport. Key topics were Mayor's Gordon vision for the City of Davenport, key initiatives and highlights from the past year. Thank you to both Toni and Shawn for attending and representing LULAC Council 10.

Thank you to all the golfers that made the annual Adolph Lopez Golf Outing a special one! While it was a hot day golfers made it out on the course all for the support for the LULAC Scholarship program.
