Congrats to Dr. Janet Weaver from the University of Iowa. Dr. Weaver is also a Council 10 member and was also recognized at the Friends of Martin Luther King Gala. She was awarded the History preservation award for her work on African American Migration. Dr. Weaver also worked with Council 10 on the Migration is beautiful which is now implemented in the Davenport school district and other school districts.

Council 10 made a donation to the CAP program. The CAP program provides resources needed to support the health, happiness and ongoing success for youth. These funds will specifically go to the girls circle for supplies.

Big Brother Big Sisters of the Mississippi Valley held their annual Put-A-Round earlier this month. Council 10 had two teams that participated in this event. We are proud to support BBBS and is looking forward to continue this strong relationship

Congrats the newest graduates of Cohort 2! These students have been working hard for the last six month on their leadership skills. Check back next month to see the graduating class of Cohort 2 and to hear their experience in the program.
