

LULAC COUNCIL 10 NEWS LETTER March 2024

Congrats Cohort Two LIDERAMOS Graduates!

On Saturday February 22 the LIDERAMOS cohort 2 members graduated from the Quad Cities Regional LIDERAMOS Leadership Development program! The LIDERAMOS leadership curriculum is guided by a purpose to expand and grow Latino/a/x leadership skills, knowledge, and abilities.

“These are today’s leaders”, said program facilitator Alfred Ramirez.

“Our program created a space and a network where these Latino/a/x leaders could grow”. This program has been funded by LULAC Council 10 and The Quad Cities Community Foundation for both cohort 1 and 2, recently additional funds have been announced for a 3rd session. The application for cohort 3 will be provided in the following weeks.

Trivia night was a success!

Last month we held our annual trivia night for our Youth Councils. Both Davenport and Bettendorf students were present for the fundraiser. It was a packed house and together we were able to raise over \$2,000 for the students!

The money will be used for education trips such as college visits, fun events and get togethers. Thank you to all the business and individuals that donated to the event!

Donation to Saint Anthony

LULAC Council Ten was proud to present a donation to Saint Anthony Church in Davenport. This money and the food donation from the last two months will be going to the local Hispanic food pantry. With these donations families will be able to get food assistance from the church. Thank you once again to everyone that donated food!

It's time you get to know your political representatives. There's too much at stake to not know who they are and how to get in touch with them. It does not matter what political party you are affiliated with. Be advised to stick to the issues that concern you the most, know the facts, and stay calm. Call them back for each additional issue of concerns.
